## *Wedding Ceremony*

Your wedding ceremony is the most important part of your special day and we are committed to making it go as smoothly as possible. Here are a few details to let you know what will happen during your wedding.

Every Ceremony Music package includes prelude music while your guests are being seated. Once we are given the cue to begin the processional, we will play the pre-selected music for your bridal party to walk down the aisle to. When the last person has finished their processional, the bride's big moment has arrived! The musicians will take a moment to switch the music so that the bridal processional can begin. As you say your vows, we are honored to be there to witness such a happy occasion in your lives. To celebrate this happy occasion, we will play an upbeat and joyous selection for your recessional as husband and wife!

Each couple will receive a list of music according to the ensemble that they pick, a music selection sheet, and a list of commonly chosen pieces with sound clips to help make your decisions easier.
